

Mary Magdalene Feast Day Celebration

Wednesday, July 22, 2009 7:00 pm

Dear Friends & Lovers of Mary Magdalene,

I am happy to invite you to a special service in honor of Saint Mary of Magdala on the evening of her time-honored Feast Day. This will be a celebration in the tradition of the Holy Order of Mary Magdalene in the form of a Communion Ceremony with song & teachings from the Gospel of Mary. This ritual extends back into time when the early Gnostics honored inner knowing and a direct connection to the Divine.

The evening service will be celebrated at the Spiritual Healing Center, a beautifully renovated 100 year old Interfaith Church close to the center of the town of Mill Valley. Tea & light snacks will follow the service. I look forward to you joining with us.

With love to all,

Elizabeth Kelley - Priestess - Holy Order of Mary Magdalene
